

We set the standard.

Performer™

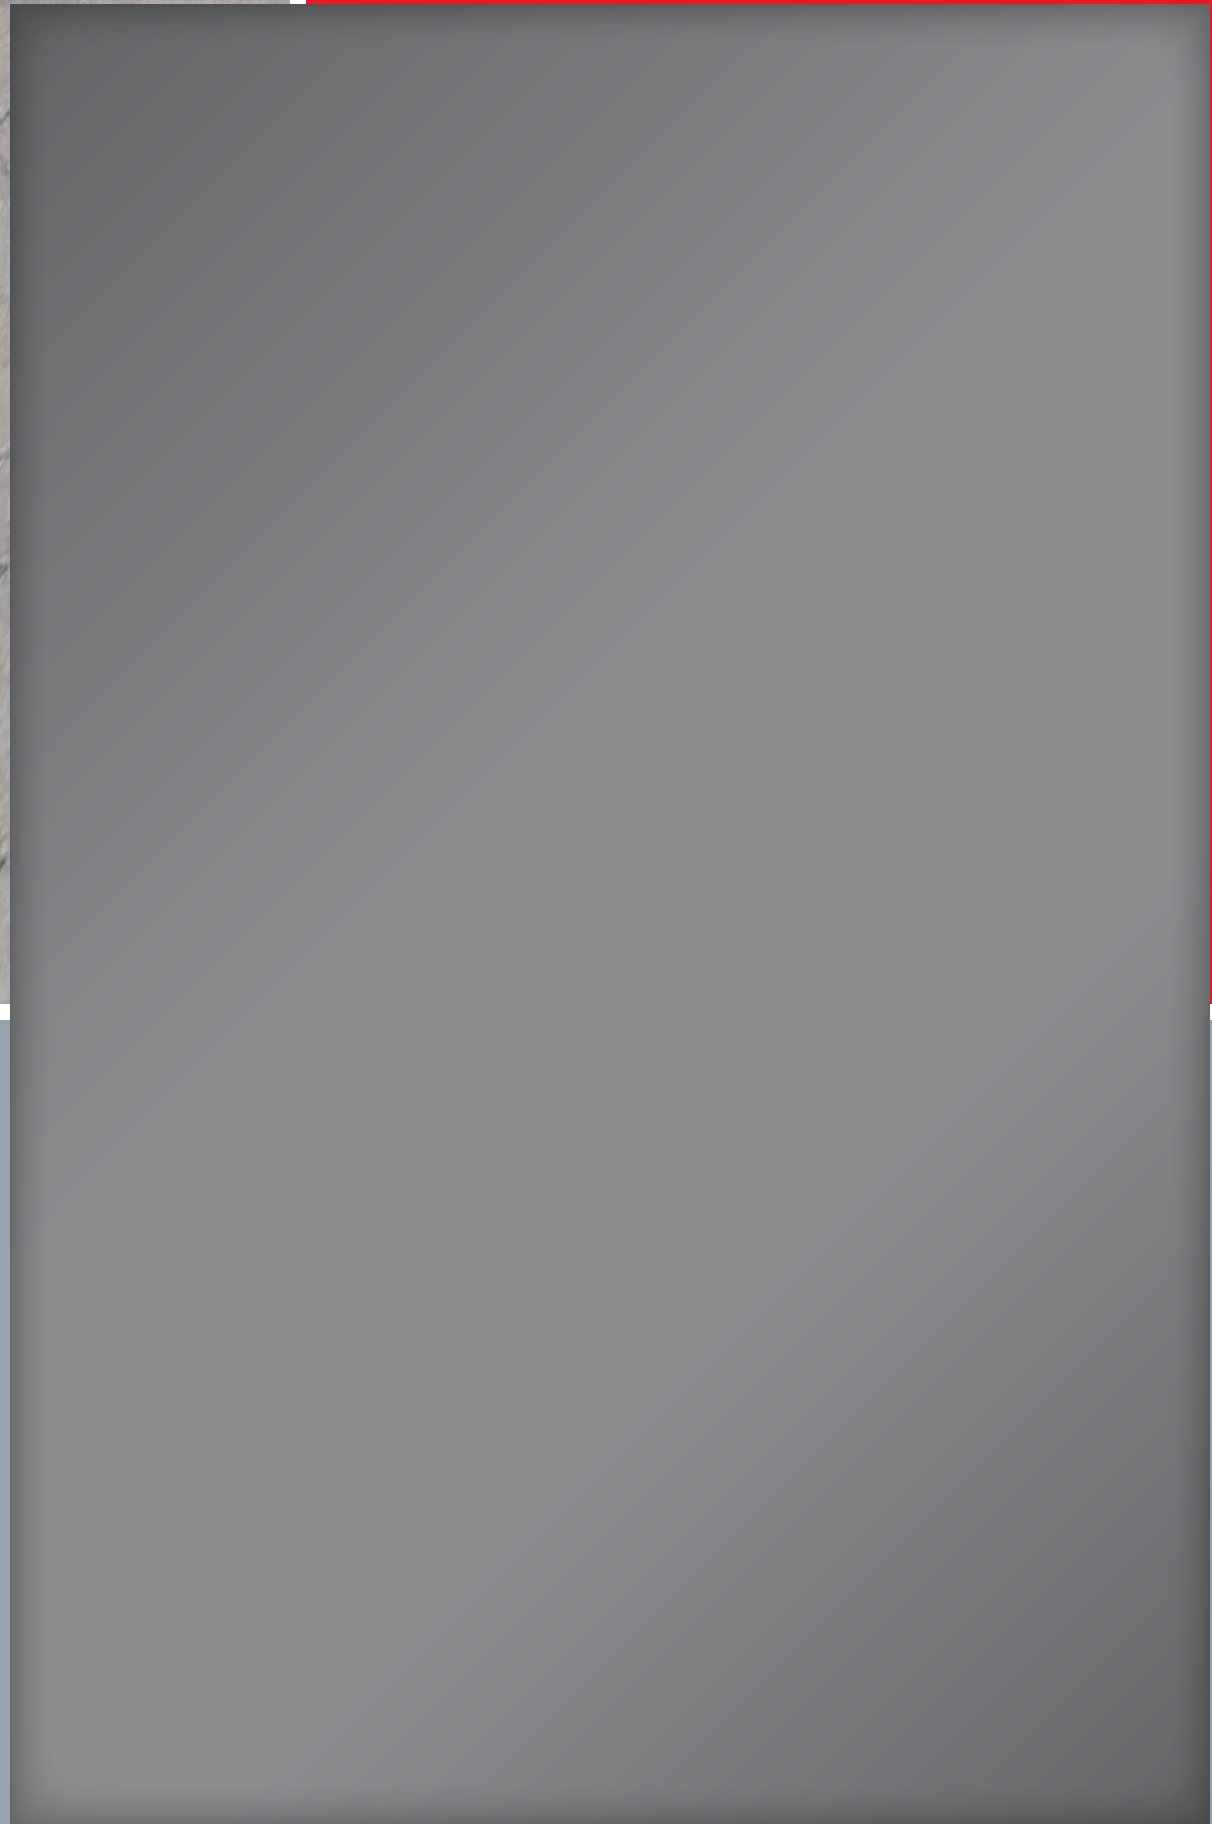

American Standard Window Film has set the standard for the profession. All products feature 99% U/V rejection, an ultra durable hard coat, manufactured in the latest state of the art facility in Las Vegas, Nevada. And, a factory backed warranty.

per•form•er | per-fôr'mər | something that takes action from the requirements, to fulfill.

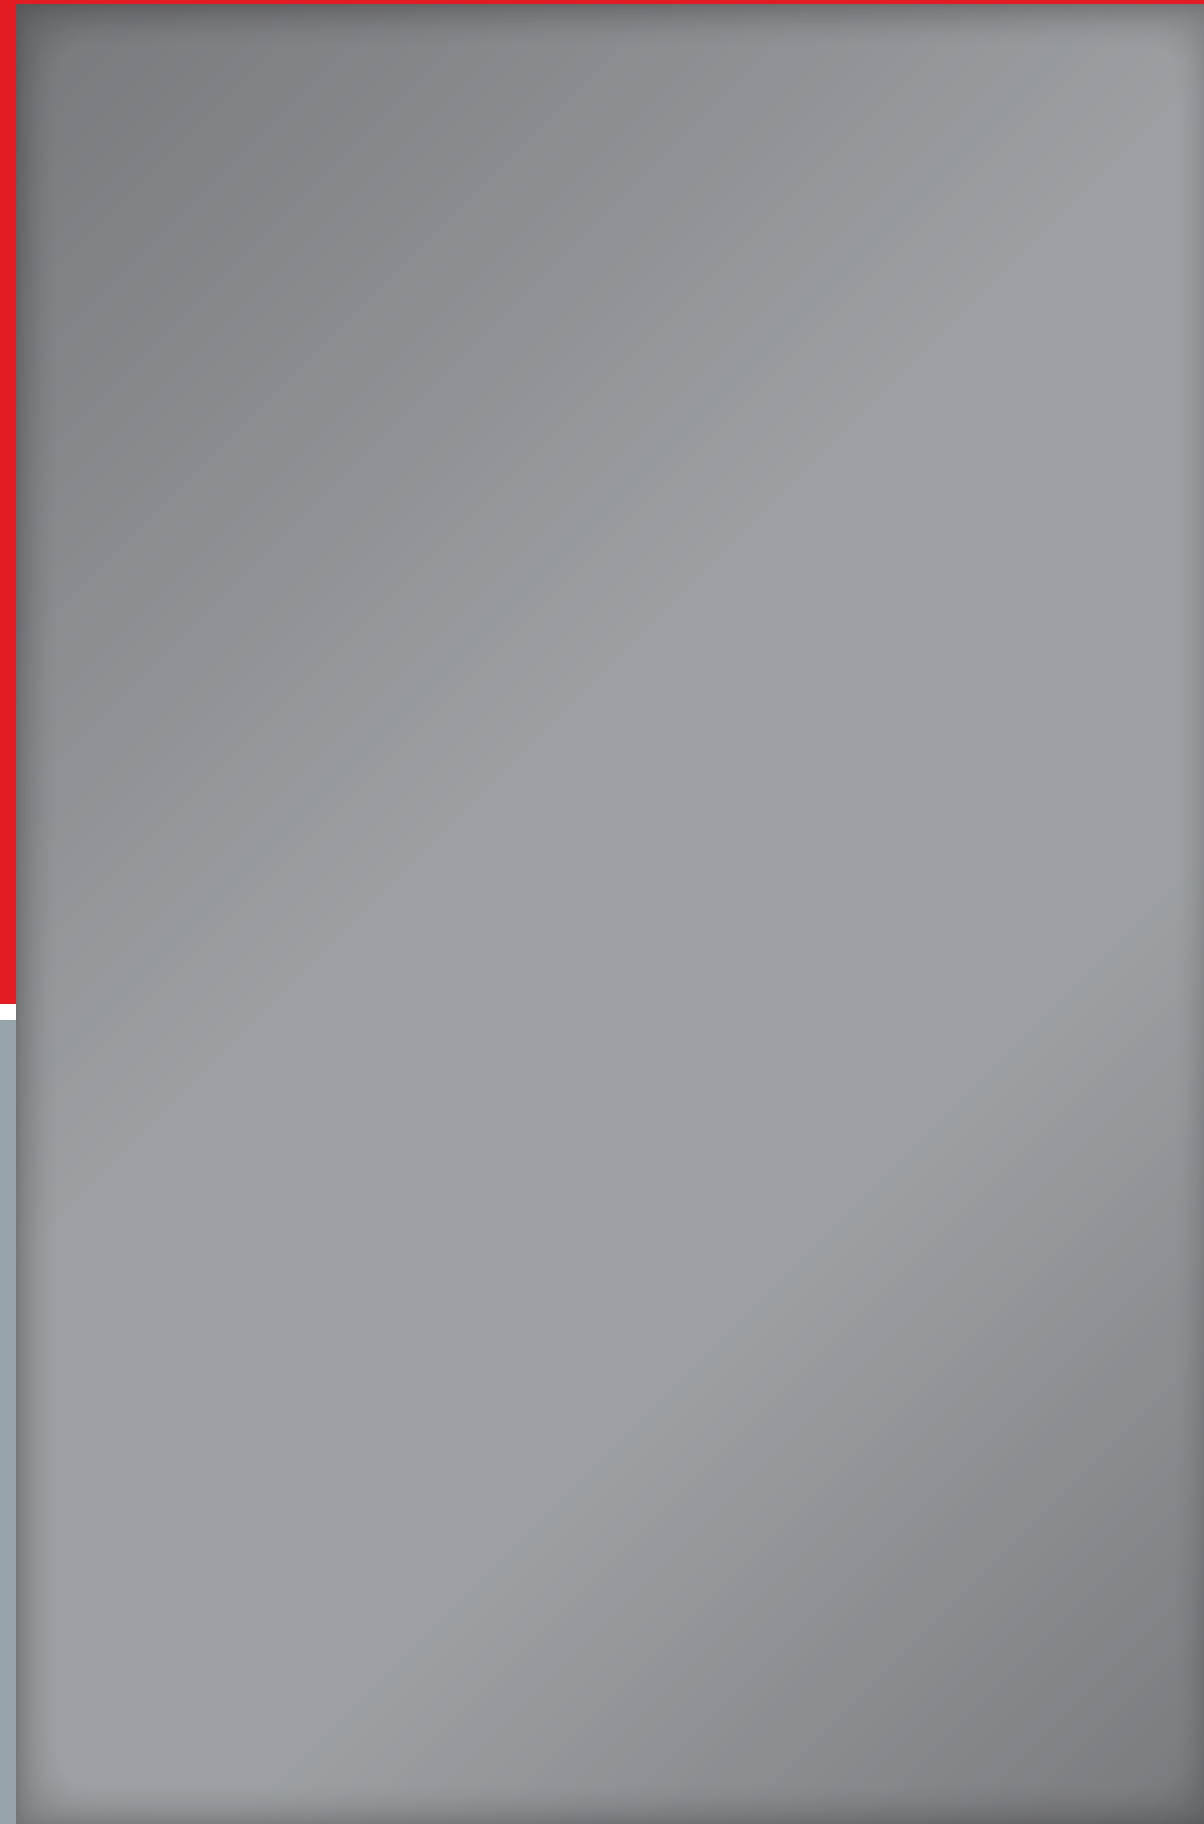

The Performer series does just that — it performs. A high-performance auto film with a color-stable non-reflective dyed film, and a layer of metallized film, this series provides good looks and high heat rejection.
