Test results are produced from film applied to clear glass. Performance data is subject to change without prior notice. Accurate selection of window film requires specialist knowledge, and it is recommended that specifiers contact the company at the specification stage. Please refer to the Opalux Product Warranty Form for the full terms of the Opalux limited warranty. It is the users' responsibility to ensure the product is suitable for the intended use. The seller shall not be liable for any direct or consequential loss howsoever arising.

Printable by most wide format UV cured ink-jet printers. Compatibility is subject to users own testing and evaluation.

Specification:

The bespoke decorative window film is to be Opalux® **DG-PETCL-iUV**, as manufactured by Opalux® (www.opalux.co.uk). The film is to be printed using UV cured inks and installed to the **interior** surface of the glass. The unique product roll numbers used are to be registered in accordance with the manufacturer's warranty procedure.
